

Integral Technologies Names Jack E. Lyons New CFO

Indianapolis, Indiana, March 8, 2005 - Integral Technologies recently announced the appointment of Jack E. Lyons to the position of Vice President & Chief Financial Officer.

Mr. Lyons possesses over 14 years of industry experience, bringing a wealth of leadership skills and accounting expertise to the Integral Technologies management team. Mr. Lyons has spent much of his career in the security industry, with significant experience at several industry leaders. Mr. Lyons served as Truevision's Accounting Manager for over 7 years, gaining extensive, firsthand knowledge of the industry.

Since 1997, Mr. Lyons has been employed with Integral Technologies as director of finance and controller. His substantial accounting experience and history working in the security systems market make him an excellent candidate for the CFO position.

"As we move our business forward, we need someone with vision and skill in this position," says Integral Technologies President, Matthew Kushner. "After seven years with our company, Jack has demonstrated not only vision and skill, but a commitment to our goals. We're proud to announce him as our new CFO."

Mr. Lyons holds a Bachelor of Science degree in Accounting and Business Administration from the University of Indianapolis. He is a certified public accountant and a member of both the American Institute of Certified Public Accountants and the Indiana Society of Certified Public Accountants.

Integral Technologies is a worldwide leader in design, development, and integration of powerful video, access, and security solutions. With over 10 years of security systems integration experience and the backing of Schneider Electric, Integral Technologies continues to offer innovative, best of class enterprise security systems that are powerful, feature rich, and easy to use.
